Spark plugs

A comprehensive range of spark plugs, expertly developed for the full range of high performance 2 and 4 stroke engines. A combination of innovative materials and special manufacturing methods will guarantee optimum starting, efficient combustion and lower fuel consumption, prolonging the life of the engine and other moving parts. In addition, the use of high quality oils like **Prosint 2** and **Eurosint 2** ensures that there are fewer unburned residues from combustion, signifying improved performance and less maintenance.
